

Element X Onboarding

1. Download [Element X](#) from the Google Play store
2. Tap **Sign in manually**
3. Tap **Change account provider** and tap **Other**
4. In the text box, enter `bnry.lol`. It will find the server and show as a suggestion under the text box.
5. Tap **Continue** (it should show "You're about to sign into bnry.lol")
6. Enter your name (`goober` or `camden`) and password is `C0urtY@rd`
7. Since this is your first time logging in, you can't confirm your account. Tap **Can't Confirm?** and continue through the red "reset" buttons.

Issues

- If you sign in and the screen is blank, kill the app (||| and swipe up), and reload

Revision #9
